Mrs. Vanshika Nadagavali (BSW IV sem)

- Committee Member (2024-25)
In Charge – Dr. Digambar Tule
Student Representative : Mr. Jason Josua
Mr. Pavesh Sahare

- **Need of AQWA Cell?**
- **Water scarce** is creating a **near civil confrontation** like situation in world over.
- Currently, **6 Crore Indians face high to extreme water stress**
- About **2 lakh people die every year** due to inadequate **access to safe & Quality drinking water**. (Cholera, water borne disease)
- **2-3 km Walk** For women's for 1 bucket of water
- The crisis is only going to get worse. **By 2030**, the country's **water demand is projected to be twice the available supply**, implying severe water scarcity for hundreds of millions of people
- water resources and usage and put in place interventions that **make our water use efficient and sustainable**. **Vidarbha region is considered as water scarce area and to meet this social responsibility**, Tirpude College of Social Work has initiated to establish an **Alliance for Quality Water Awareness (AQWA) Cell for awareness building for water security among the stakeholders (Central Ground Water Board, Central region,(GOI)), Ground Water Survey & Development Agency (GSDA),Orange City Water (OCW), imaGIS etc**

Vision: "To create water secured Society"
