

## Tirpude College of Social work Nagpur

### **Disaster Management Cell**

Disaster Management Cell works to create awareness and capacity building among the students and the college community in general about the man-made and natural disasters. It provides basic training to the students and college community to ensure in the event of a catastrophic disaster. The cell conducts various awareness programmes and workshops to prepare students as well as faculty to deal with any kind of emergencies.

#### **Vision**

"To build a safer and disaster resilient College by a holistic, technology driven and sustainable development strategy that involves all stakeholders."

#### **Mission**

1. To deliver effective coordination and facilitating services with competence in disaster management.
2. To enable government and other stakeholders attain disaster resilience .

#### **Values**

1. Integrity/ Honesty.
2. Creativity
3. Right Attitude/ Dignity

### **OBJECTIVES OF THE CELL**

- To all the information needed for effective disasters management in the college premises;
- To establish an emergency response system in the college;
- To prepare the college community for any emergency response;
- To create awareness and build the capacity of the college community;
- To promote partnership among various stakeholders.

The College Disaster Management Cell has prepared “**The College Disaster Management Programme**” to ensure better preparedness and response to disasters.

#### **Disaster Management Cell**

The Disaster Management Cell is a guide for achieving the objectives related to disaster mitigation, preparedness, response and recovery. This Plan helps in disaster response in a planned manner to minimize the loss of human, property and environment. Preparedness means carrying out activities aimed at reducing the risk of various hazards, improving response activities and coping capabilities. This preparedness exercise is to build capacities before a disaster situation prevails, in order to reduce impacts.

### **CONSTITUTION OF THE DISASTER MANAGEMENT CELL (DMC)**

It is vital that the cell remain functional throughout the year. The cells undertake various activities to ensure that students, teachers and other staff are well-versed and trained in responding to any emergency situation. The cell will also bring various stakeholders under

one roof so that the continuous effort of each stakeholder can create a resilient and safer environment for education in the college.
