

## **“PEACE”**

(Programme & Extension Activities through Collective Efforts)

An Extension & Outreach initiative

### **Aim/Objectives:**

- 1) To promote social work intervention in community & school setting.
- 2) To create socio-economic database of community.
- 3) To study & analyze community problems.
- 4) To organize awareness programmes on social issues i.e. education health, civic rights, food security, right to information, legal literacy etc.
- 5) To facilitate the process of empowerment for different target groups.
- 6) To conduct training programmes for the students & community level functionaries on disaster management, community leadership, community animators and barefoot social workers.
- 7) To provide an exposure by organizing the excursion visits to Rural, Tribal & Urban areas.
